

## **Hello and thank you for visiting the Bookmarx website.**

Bookmarx are a boutique bookkeeping firm that provides services tailored to your individual business needs because we understand that no two businesses are alike.

We have built long lasting relationships with businesses over the past thirteen years with businesses from many different fields and industries. Bookmarx are passionate about the success of small business in Australia and have a strong understanding of what it takes to be successful as a small business owner.

Whether you are after assistance at your office on a weekly or monthly basis or after an entire "virtual office" service Bookmarx are able to assist.

Bookmarx are the accounts department for businesses from Sydney to Brisbane. We provide payroll and HR services, accounts payable and bookkeeping for these businesses. To find out more [click here](#) .

Our purpose is to help businesses realise their potential. It is based on a philosophy that for a business to grow, it must implement the essential elements of management - a quality product, a belief that customer service is paramount, strong financial management, unique branding, creative marketing, happy and experienced staff and good business systems.
